Dear NASCOLA Associate Member:

We would like to welcome you as a 2007 Associate Member to NASCOLA. Recently, we received a request to have a link to NASCOLA's website on the Associate Member's company website. In an ongoing effort to enhance our relationship with our members, we are happy to inform you that this request has been approved by the NASCOLA Executive Committee. Therefore, we are contacting all of the NASCOLA Associate Members to notify you that, if you wish, you can provide a link to NASCOLA's website on your company's website.

A link to the NASCOLA website is provided below:

<http://www.nascola.org/>

If you do decide to place a link to NASCOLA on your website, please notify our Executive Secretary (info@nascola.org).

Donna Castellone has taken on the important new role of Associate Membership Liaison. Please feel welcome to contact her (dcastell@nyp.org) with your suggestions.

The Mayo/NASCOLA meeting has a pretty full agenda but we were hoping to find a time in the schedule when representatives of the Executive Committee could meet separately with our group of Associate Members. We would also like to take this opportunity to thank you for your continued membership, your interest and support.

Sincerely,

Beth Plumhoff, NASCOLA Executive Secretary
