COMPANY OVERVIEW

Aniara Diagnostica is your driving source on the journey to medical exploration and discovery.

Aniara Diagnostica provides labs around the world with a comprehensive offering of diagnostic and research tools. We pride ourselves on quality products, personalized service, and flexible purchasing options.

Our primary mission is to help drive continual exploration and discovery throughout the medical universe, seeking new, enhanced, and innovative products that ultimately result in superior healthcare and successful patient outcomes. Our support of medical research is, to that end, steadfast.

MEDICAGO AB

*For today's most advanced reagents, bioactive proteins,
and user-friendly buffers.*

Founded in 1995 in Sweden, Medicago is celebrating more than 20 years of continuous service to the life science research, biotechnology and pharmaceutical industries. Medicago specializes in the design, development and manufacture of user-friendly research bio-reagents plus diagnostic and biochemical kits. Privately owned, enthusiastic, and forward-looking, Medicago is committed to delivering world-class services for its customers. The company continues to evolve, increasing its presence and operations throughout the world.

Medicago's mission remains to be a trusted partner in the development and manufacture of critical bioreagents, to be committed to innovative solutions through excellence in research and development.

PRODUCT CATEGORIES

ABSOLUTE LECTINS | Exceptionally pure lectins purified by affinity chromatography. The lectins are supplied as lyophilized powder produced in Medicago's state-of-the-art freeze-drying equipment and filled under aseptic conditions.

IMMUNO REAGENTS | Medicago develops and manufactures a wide range of immuno reagents, including monoclonal and polyclonal antibodies as well as antigens from bacteria, parasites and other sources plus synthetically manufactured antigens and antigen analogues. We also offer complete kits for the in vitro diagnosis of parasite diseases in rabbits and rodents. These include Carbon Immuno Assay (CIA) for Encephalitozoon cuniculi and Enzyme Linked Immunoassay (ELISA) for E. cuniculi and T. gondii.

SMART BUFFERS | Medicago's Smart Buffers are biological buffers suited for the life science laboratories, supplied as exactly pre-weighed tablets or powder-mixes with pre-set pH. They are manufactured using highly purified, analytical-grade chemicals and are extensively quality tested. Final buffer volumes range from 100 ml to 5000 ml. Many of buffers are supplied in more than one molar strength formulation. Smart Buffers save time in the laboratory, give good reproducibility and eliminate calculation, formulation and weighing errors.

SMART REAGENTS | Medicago's Smart Reagents are reagents and biochemicals suited for various life science applications, supplied as exactly pre-weighed tablets packed in containers or blister packs, or as pre-weighed powders in sealed aluminum foil pouches. They are extensively tested and are of very high quality. These reagents meet stringent requirements, such as adherence to compendial references where applicable and extremely low levels of trace element contamination.

REAGENTS FOR BIOTECHNOLOGY | Selected range of reagents and biochemicals that are extensively tested and are of very high quality, suitable for use in numerous biotechnology applications. These reagents meet stringent requirements, such as adherence to compendial references where applicable and extremely low levels of trace element contamination.

TERMS AND CONDITIONS

Aniara Standard Terms and Conditions of Sale

1. **General.** Unless otherwise expressly agreed in writing by a duly authorized representative of Aniara, the terms and conditions contained herein constitute the entire agreement between the parties with respect to the subject matter hereof and supersede all prior communications and agreements. Acceptance by Aniara of Purchaser's order, or Purchaser's acceptance of Aniara's proposal, is expressly limited to and conditioned upon Purchaser's acceptance of these terms and conditions that may be changed or waived except in a writing signed by the parties. "Products" as used herein shall include products, parts and accessories furnished to Purchaser by Aniara.
2. **Delivery/Risk of Loss.** Unless otherwise expressly agreed in writing, the Products shall be delivered F.O.B. point of shipment. Aniara reserves the right to deliver in installments. Notwithstanding any agreement with respect to delivery terms or payment of transportation charges, risk of loss or damage for the Products shall pass to Purchaser and delivery shall be deemed to be complete upon delivery to a private or common carrier at the point of shipment.
3. **Acceptance/Rejection.** Purchaser shall notify Aniara, in writing, of any refusal to accept part or all of any shipment of Products delivered hereunder (including the reasons for any such refusal) within seventy-two (72) hours after delivery. Failure of such notice shall constitute Purchaser's acceptance of the entire shipment. Upon any wrongful refusal of Purchaser to accept delivery, Aniara at its election may retake or resell the Products and recover from Purchaser any damages suffered, including repossession, transportation, selling and advertising costs and the cost of any suit to enforce Aniara's rights hereunder.
4. **Price.** Unless otherwise expressly agreed in writing, the price for the Products shall be Aniara's prevailing price at the time the Products are shipped to Purchaser. The price for the Products does not include any federal, state or local sales, use, excise, value added, gross receipts, or other like taxes which may now or hereafter be applicable to, measured by or imposed upon the Products, their purchase, sale, replacement, value or use, or any other services performed in connection therewith.
5. **Payment.** Unless otherwise expressly agreed in writing, payment is due thirty (30) days from the date of invoice. If payments are not made when due, Purchaser shall pay, in addition to the overdue payment, a late charge equal to the lesser of 1 1/2% per month or the highest applicable rate allowed by law on all such overdue amounts.
6. **Force Majeure.** Aniara shall not be liable for loss, damage, or delay, nor be deemed to be in default from causes beyond its reasonable control or from acts of God, fire, strikes, labor difficulties, acts or omissions of any third party, any governmental authority or of Purchaser, defects or delays in the performance of its suppliers or subcontractors.
7. **Warranty.** ANIARA MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AT LAW OR IN EQUITY, WITH RESPECT TO THE PRODUCTS OR THEIR CHARACTERISTICS, QUALITY OR PERFORMANCE, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT OF ANY INTELLECTUAL PROPERTY RIGHTS OF THIRD PARTIES AND ANY SUCH WARRANTIES OR REPRESENTATIONS ARE HEREBY EXPRESSLY DISCLAIMED.
8. **Limitation of Liability.** IN NO EVENT SHALL ANIARA BE LIABLE FOR SPECIAL INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, WHETHER IN CONTRACT, WARRANTY, TORT, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE including, but not limited to, loss of profits or revenue, loss of use of the Products, delays, or claims of customers of the Purchaser or other third parties for such or other damages. Aniara's liability on all claims, whether in contract, warranty, negligence, tort, strict liability, or otherwise for any loss or damage arising out of, or connected with an order or the performance or breach thereof, or from the design, manufacture, sale, or delivery shall in no case exceed the purchase price of the Product.
9. **Choice of Law.** These Standard Terms and Conditions of Sale shall be governed and interpreted, and all rights and obligations of the parties shall be determined, in accordance with the laws of the State of Ohio, without regard to its conflicts of law principles.
