

Art no: 09-7510

CERTIFICATE OF ANALYSIS

Lot no: 271303

Product name:	Tris buffered Saline- Tween tablets, pH 7.6
Production date:	2021-04
Date of release:	2021-05-07
Stability:	2023-04
Form:	White or slightly yellow, round tablets, 28 mm diameter
Composition:	1 tablet dissolved in 500 ml of water yields: 0.15 M NaCl 0.050 M Tris-HCl 0.05% Tween 20™

Analysis	Specification	Result
Insoluble matter	No visual particles observed in solution	Pass
Optical clarity	Clear Solution	Pass
pH	7.60 ± 0.10 at 25°C	Pass
Weight	8,42 g ± 2.5 % (8.21 g – 8.63 g)	Pass

The above material has met all quality specifications and has been reviewed by a quality representative.

Quality Assurance, Monika Scuka
