

Art no: 12-9160

CERTIFICATE OF ANALYSIS

Lot no: 274202

Product name:	EDTA Buffer pouch pH 8.0, 1000ml
Production date:	2021-10
Date of release:	2025-07-14 (*Retested 2025-07)
Stability:	2027-01
Form:	White powder
Composition:	Contents of 1 pouch dissolved in deionized water and made up to 1000 ml yields: 0.5 M EDTA pH 8.0

Analysis	Specification	Result
Weight	Average weight \pm 1%	Pass
pH*	8.0 \pm 0.05 at 25°C	Pass
Optical clarity*	Clear solution	Pass
Insoluble matter	Filter test	N/A

The above material has met all quality specifications and has been reviewed by a quality representative.

Quality Assurance, Sebastian Määttä
