

— ANIARA COMMUNITY PROGRAMS · FOR THE COAGULATION FIELD

# We back the people behind *the results.*

Aniara invests in the coagulation and hemostasis community three ways — recognizing outstanding technologists, funding new research, and lowering the cost of reagents for academic work. Here's how to take part.

## Lab Tech Award

**\$2,000**

### COAGULATION / HEMOSTASIS TECHNOLOGIST AWARD FOR EXCELLENCE (CHTAE)

Each year the volunteer CHTAE peer committee recognizes **one outstanding special-coagulation technologist** in North America. Aniara funds the award but takes **no part** in selecting the winner — peers nominate, and a committee of peers decides.

#### WHO NOMINATES

Doctors, technologists & supervisors across North America nominate a peer.

#### DEADLINE

Nominations by **November 1, 2026**.  
Past honorees aren't re-nominated.

#### HOW TO ENTER

Online nomination form · questions to [info@aniara.com](mailto:info@aniara.com).

## Aniara Grant

**2 × \$10,000**

### COAGULATION RESEARCH GRANT

**Two \$10,000 grants each year** — one in Aniara's territory and one global — for **established investigators and students/trainees** pursuing innovative coagulation and hematology research.

#### WHO APPLIES

Faculty / advanced-degree investigators and students & trainees.

#### USE OF FUNDS

Research costs — not conference travel, publishing, construction or endowments.

#### HOW TO APPLY

Submit your project proposal with the online application.

## Research Discount

**15% off**

### COST-SAVING PROGRAM FOR NEW RESEARCH

Labs that use — or plan to use — Aniara's **HYPHEN BioMed** products for new research can receive **15% off** those products, in exchange for acknowledging Aniara's support in published work.

#### WHO QUALIFIES

Academic & research labs starting new research.

#### TERMS

Acknowledge Aniara in publications; period Jan 1-Dec 31; renew yearly.

#### HOW TO ENROLL

Register online; the discount applies once approved.

**How to take part:** apply, nominate or enroll at [aniara.com](https://aniara.com) (Grants / Awards), or ask any Aniara representative. Details are summarized from [aniara.com](https://aniara.com) and are subject to the full current program terms, eligibility and deadlines published there; amounts and dates may change year to year. The Aniara Grant awards two \$10,000 grants annually (one Aniara-territory, one global); the Research Discount applies to HYPHEN BioMed products for qualifying research. © 2026 Aniara Diagnostica, Inc.
